

## Top-Level Policies and Mission Statement

### MISSION STATEMENT

*“To provide unique barrier solutions,  
which protect the world’s natural resources”.*

### TOP-LEVEL POLICIES

Our business is committed to:

- Meeting customer requirements and expectations in all aspects of customer care, delivery, lifespan, quality, sustainability and reliability.
- Providing products and services in a manner that supports the strategic direction of the business whilst at all times maintaining the best interests of our interested parties.
- Communicating effectively with all our personnel, our customers and our other interested parties using appropriate communication channels, including meetings, events, our website, social media, newsletters, etc.
- Treating each other, our customers and our other interested parties in a manner that demonstrates the utmost respect and courtesy in all matters regarding our business activities.
- Using our top-level policies, mission statement, vision, values and attitudes to provide a framework for setting the top-level objectives for our business.
- Operating a management system that complies with the requirements of the statutory and regulatory framework within which we operate, including the requirements of the ISO 9001:2015 quality management system standard.
- Improving the effectiveness of our management system on a continual basis by involving, training and motivating all our personnel.
